

FOR MORE BIG LIGHTS AT THE COLISEUM

Real Artistic Performers Seen During the Past Week—Bishop Kyle Speaks at 3 P. M. Sunday—Miss Patti Brown Will Sing Her Farewell Solo Sunday Night—Fisk Jubilee Singers in Last Performance Monday—Home Folks Celebration Tuesday—Grows Grow Larger and Attractions Bigger as Pageant and Tableau Progresses.

Only a few more days are left in which you may attend the grand pageant and tableaux at the Coliseum. During the past week the public has seen the best entertainers ever witnessed in St. Louis. The statement given out last week by the manager that some of the best talent of the race would take part, was no "idle tale." Those who are in a position to know say that the rendition of Julius Caesar, by Richard B. Harrison, supported by a local cast, was the best ever seen in St. Louis. Music was furnished by local No. 44 A. P. M., directed by Prof. Austin, director of the Metropolitan Choir. Other prominent characters to appear on the program were the Fisk Jubilee Singers, Miss Anita Patti Brown, and Miss. Antoinette Smythe, all of whom played their parts well. Special mention: Miss Patti Brown entertained her audience in the most pleasing manner at her appearance.

Saturday afternoon matinee, Sunday afternoon Bishop Kyle will preach, Jubilee Singers will sing. Admission free. Sunday night, Miss Patti Brown will make her farewell appearance. A large crowd is expected to hear her Monday night, Miss. Smythe and the Jubilee Singers will make their farewell bow.

Tuesday night the last. This will be

MISS ANITA PATTI BROWN
Who is pleasing her audiences at Coliseum this week. Her last appearance will be Sunday night.

the big homebake night, or the young folks' night. A thousand in full dress are expected to appear at the Coliseum the last night. Fun, pleasure, recreation is in store for everybody. Your last chance to get an automobile.

HELP THE BLIND ALL DAY MEETING

Buy Your Brooms and Mops From the Missouri Association for the Blind. Insist on Your Grocer Keeping Them. Make This a Practice.

The Missouri Association for the Blind is doing a very commendable work for the unfortunate blind in our city. A visit to their factory will convince anyone of the good work that is being done by this association. They have a broom and mop factory at 3733 Cass Avenue, where they employ both white and Colored in making mops and brooms. It is very interesting to see how enthusiastic these men are at their work.

These men are anxious to work; they are glad to work; their mops and brooms are just as good as any you may see on the market.

How You Can Help
You can help these men by buying their brooms and mops at your grocery store or phone direct to their factory. Tell the wholesale and retail dealer on having their goods when you are ready to buy your next broom. The more the demand, the more men can be employed. The more the demand, and are taught the trade.

The Colored men have a foreman, Mr. A. B. Jackson, 3037 Pine Street, and while he is blind, he can inspect the mops and detect any defect more than a man with good eyes, who is not trained.

Their work is good. Call for their brooms and mops.

NOTICE TO THE PUBLIC

To whom it may concern:
I hereby make this statement for the benefit of my many friends who have been misled by "evil devils" who are circulating erroneous reports that I am married, with a hope of selling my brooms. I am not married, neither have I a family to support.

(Signed) Jesse J. Johnson.

LEONARD AVENUE BAPTIST NOTES

Last Sunday was a big day at Leonard. It was a financial record breaker, and we enjoyed a good spiritual communion service. On last Friday night the regular monthly business meeting was one of the best in the history of the church. We are glad to say the B. Y. P. U. is improving. The president, Mr. Williams, desires a large attendance and he kindly invites you to come and help to make the meetings a success, and you will be greatly benefited by taking the course of Bible study.

We are forced to call attention to our Big Rally. We are doing nicely and are looking for some help from our friends. Run Duane street two days on the lake fishing and report a delightful time.

The Commonwealth Mercantile & Investment Company, a co-operative society composed of more than two hundred shareholders and representing as many families, will open its first store for business on Thursday, September 14, corner of North Market and Goode Ave., with a complete stock of groceries, fresh meats and produce.

The organization from less than a dozen members nine months ago, to more than two hundred at present and the number increasing daily is an unmistakable evidence that we are awakening to our vast opportunities.

This organization proposes to remedy this condition and through a series of articles which will appear in this paper each week its program will be outlined. Officers: John Holman, president; H. M. Floyd, vice-president; Arthur Turner, secretary; L. F. Ford, treasurer; R. R. Warratt, W. Brown, treasurer. Auditing Committee: Robert Eaton, chairman, N. F. Slaughter and V. D. Williams. Education Committee: R. N. Owens, chairman, Geo. W. Wade and Geo. Götter. Board of Directors: John Holman, F. O. Blunt, Warratt, W. Brown, T. L. Gentry, L. F. Washington, T. A. Marshall, Robt. E. Bonita Cafe Notes

Growing More and More Popular With St. Louis' Choice Society

The Bonita Cafe and ice cream parlor, which recently opened at the corner of South and Fairfax Ave., is rapidly reaching St. Louis' choice society. Its unusual popularity is indicated by the number of theater and motor parties. Notable among which are the following:

Mr. Robert Gardner and party, "Hawkhaw." "Mose, the Shoe Man." Mr. Messrs. T. Bryant, A. Payne and party. Mr. Benjamin H. "Big" party. Mr. Frank Cox and party. Others whose names we do not know might be mentioned, for which the management hereby expresses its appreciation.

ST. JAMES NOTES

The morning service was unusually large last Sunday. After a splendid sermon on "Excuses," the pastor made an earnest appeal for someone to lay aside every weight and pursue, and accept Christ. There was one conversion and two accessions. The barbers were a success financially. A large crowd assembled the Sunday school room to witness the farce in one act, "Satan Masquerade," which was full of wit and humor. The Junior Endeavor will resume its meetings Sunday, September 10. We urge you to send your children. The last quarterly meeting of this conference year will be held September 10. We cordially invite you to attend as we want to make this meeting a spiritual treat. Sunday school, 9:30 a. m. Senior and Intermediate Leagues, 6:30 p. m. Come, you are welcome.

Free Concert

There will be a sacred concert given by local No. 44 A. P. M. at the Orphan Home, 4316 North Bridge Road, Sunday afternoon, September 10, from 3 to 6 p. m. The public is invited. Admission free.

Carter-Seatts Wedding

One of the most beautiful home weddings of the season took place Wednesday, September 6, at 5:30 p. m. at the residence of Mrs. F. Z. Wilson, 4258 E. 12th Avenue. The contracting parties were Mr. John Elmer Carter, cousin to Mr. F. A. Carter and Mrs. Frank A. Carter, and Miss Anna B. Seatts, daughter to Mr. F. Z. Wilson. The house was beautifully decorated with palms, ferns and rare plants. As Mrs. Minnie L. Turner rendered the wedding March. From Lohengrin, Miss Verna Thomas, by the maid, slowly advanced from the dining room and took her place in the parlor on the left side of the fern and palm bower. At the same time Mr. Elmer took his place on the right side of the bower. Miss Maude Carter, maid of honor, and sister to the groom slowly marched to her place at the right of Miss Thomas. The same time Mr. Wm. Hauser took his place at the right of Mr. Robbins. Next followed little Juanita Burrell, niece of the bride, as flower girl wearing roses for the path of the bride to be. Miss Seatts then slowly marched in leaning on the arm of her brother-in-law Mr. T. L. Gentry. Mr. John E. Carter walked from the reception hall and took his place beside Miss Seatts in the bower of palms. Rev. Abbott of Union Memorial Church, performed the ceremony, which was very impressive. The bride's dress was of white charmeuse with paniers of white net edged with tulle lace; the veil was of white tulle and edged with a bridal cap, with a long bouquet of white lily of the valley. The bridesmaid was dressed in emerald white net over pink tulle. The maid of honor wore pink tulle, the

waitress combined with white net. Mrs. Smith, mother of the groom, arrived Wednesday morning from Fort Smith, Ark. Mrs. Susie Seatts mother of the bride came from Hugo, Oklahoma. Those who witnessed the ceremony were Mr. F. A. Carter and Mrs. Frank A. Carter, Mr. and Mrs. John Carter, Josephine Burrell, Mrs. Wm. Ward, Prof. and Mrs. Dwyer, Mrs. J. W. Benson and her mother, Mrs. Wickham, from Virginia and Mr. Robert Hayman. The bride and groom will reside at 4022 West Bell. The presents were numerous and beautiful; a number of the presents had been sent to the West Hotel home. Those at Mr. Wilson's were: A half dozen silver spoons from Mr. and Mrs. Frank Carter, half dozen silver knives and forks from Mr. A. Carter, cut glass nappy, Mrs. Ward; a handsome case from Mr. and Mrs. B. B. Hayman and Miss Corine Cox; silver bowl and a picture from mother of the groom; a beautiful mahogany clock from Messrs. F. H. and W. H. Heater; a handsome case from Prof. and Mrs. Dwyer; a cut glass creamer and sugar bowl from Mr. and Mrs. Zachary T. VETERAN COLORED EMPLOYEE OF THE COMMONWEALTH COMPANY DIES

James Lum, an employee of the Commonwealth Steel Company, in charge of the rail scrap crew for fourteen years' continuous service, died at his home, 1111 S. Illinois, Thursday, August 22, 1916, from an attack of heart failure.

The services were held Sunday morning, August 27, at the Bethelham E. Church, Newport, Illinois, and were attended by many friends and relatives, among them being the members of the Colored Men's Commonwealth Fellowship Club of the Commonwealth Steel Company, who attended in a body.

Many beautiful floral offerings were received. His fellow club members presented a beautiful floral offering consisting of a large magnificent broken wheel in appreciation of the memory of his loving interest for the welfare of his fellowmen. His company remembered his faithful service, which was always so readily given, by sending a floral offering.

The Colored Men's Fellowship Club lost a member who was ever ready to do more than his share of good work and the community lost a citizen whose interest in life was always on the side of purity and progress.

To the widow and the members of his family, his fellow employees and the members of the Commonwealth Fellowship Club take this opportunity to express their sincere and heartfelt sympathy.

BRINGING NEGRO LABORERS NORTH

Pennsylvania Railroad Officials Seek Men in the South for Unskilled Work. Thousands Are Taking Advantage of Opportunities.

Philadelphia, Pa.—More than 5,000 Negroes from Georgia and other Southern states have been brought to this city within the past few weeks by the Pennsylvania railroad officials in an effort to solve labor problems. Two thousand men arrived last week and are being subjected to the physical examination required by the rules of the Pennsylvania system which will be put to work on the Pennsylvania grain elevator at Girard point.

Agents of the railroad have been at work in various southern cities more than a month and now have had trouble with the authorities, most of which is cleared up, according to officials of the road here. These agents have been hiring Negroes ranging in age from sixteen to sixty years for unskilled work, offering from \$1.50 to \$2 a day.

The railroad has discovered that it will not suit labor who are not to import enough men for the immediate need. In the first batch brought from the South about a month ago, 200 or 300 men secured through southern employment agencies, quit their jobs within a few weeks. These men were employed on improvement and construction work within a radius of ten miles of Philadelphia, and according to the railroad officials, left to accept jobs with contractors or around munitions plants. It is hoped that the others now being brought in will realize the great opportunity being given them and that they will "stay on the job," instead of quitting as soon as they get a little money ahead.

New Policy At The Pendleton

Under my new policy to receive three days' pay (less Sunday and Thursday), for special programs at ten cents admission, I will show the very best pictures on the lot. A few of the pictures that my people have had but very few opportunities to see, a class of pictures entirely different from the general run of programs, such pictures as the Wm. A. Brady's World, Wm. Fox, the Paramount, the Kline-Edison, and the V. L. S. E. productions; pictures well worth the price with stars such as Marguerite Clark, Mary Pickford, Fritz Schaff, Gaby Deslys, Geraldine Farrar, Theda Bara, and a number of others of this class.

After spending a great deal of time looking over these pictures I am convinced that they are something the people will appreciate, and after seeing a few of them, I think the people will agree with me.

Political Jottings

Mr. McCormick follows the same method in claiming credit for legislation he does in his predictions...
He includes several acts of the Taft Administration.

The Democratic press is convinced that it is the duty of Mr. Hughes to say something that will hurt his chance of being elected.

President Wilson in his acceptance speech may reply to Mr. Hughes' charges, but he will not answer them. That is an entirely different matter.

It is reported from Washington that the Administration will ignore most of Mr. Hughes' charges. That is very much the easiest way for it to answer them.

Governor Hughes announces in one of his speeches that he is a constructionist. But we are inclined to admit that so far as Democratic policies are concerned he is a destructionist.

Tammany leader Charles F. Murphy announces that he will retire after the campaign. It is believed that many other more or less distinguished Democrats will follow his example.

Grover Cleveland was the last Democratic President. He was also the last President to issue bonds to secure money to defray the running expenses of the government. But Wilson will tie him in this.

President Wilson will be notified of the Democratic nomination at Shadow Mountain. This seems a most appropriate place for letting him know that he will shortly have to give up his place in the sun.

President Wilson will not make any speaking dates, we are told, but only separate engagements for addresses, considering a "speaking tour," unadvised. "Too proud to fawn."

What Josephine Daniels, the well-known nautical militant, can't understand is why men should waste time flatbattering at sea when they might just as well learn how to become sailors in three lessons in any good, reliable correspondence school.

Watchful waiting maketh woeful waiting...
Candidate Hughes doesn't talk like a tit-tutter...
Hughes is hammering and the Democrats are yammering...
The Wilson Administration stands for taxes, and more taxes...
The Hughes tariff will be coid by the time the Democrats strike it.

As a party leader, would it be fair to refer to J. Ham Lewis as J. "Pork" Lewis?

Byron says Mr. Hughes' talks aren't judicial. No. The people can understand 'em perfectly.

Can the folks on the Democratic band wagon continue to play by the President's notes?

SEEK PROGRESSIVE AND LABOR VOTES ON FALSE CLAIMS

Democrats Posing as the Enactors of Legislation Which the Indisputable Facts Show to Be Republican Origin.

AUTHORITY ON SOUND SOCIAL LAW CITES 11 GLARING CASES

Organized Labor Resents This Deception and Running True to Form Will in November as at Many Previous Elections Indisputably Smite Those Who Mislead the People in Their Gratitude—Even the Much-Touted Federal Reserve Law Is Based Entirely on the Statistical Research of a Republican Administration.

"That no class is more instant than labor to condemn and punish those who without foundation lay claim to its gratitude" is the assertion of John Williams, ex-commissioner of labor, apropos of certain false claims set forth by Vance McCormick, Democratic National Chairman, in behalf of his party.

When Mr. McCormick came to be published in the New York Times, on July 31, an appeal for Progressive and labor support, based on "twenty measures enacted by Congress while President Wilson has been in the White House," and for which he claims credit for the Wilson administration, the fact that the list of laws enacted under the leadership of Mr. Wilson and Mr. Underwood, revealed that iniquity and abomination, the Payne-Adlery tariff law—that foster-mother of trusts and high prices—was enacted six months before the law. Mr. Hughes knows, of course, as every head of a family in America knows, that the trusts have not yet been dissolved except that the cost of living is higher than ever—that the price of everything has reached an unheard-of height—but what of it?

While it is true that a protective tariff never failed, under any circumstances, to protect American industry and American jobs, it is not true that the tariff was the cause of the present low-tariff administration. It is a very unusual condition.

Now, the obvious thing for Mr. Hughes to do is, to give the Democrats no ground for their tariff on straight. Never mind the patient; let the doctor experiment. That time won't come, of course, until the war is over according to the Democratic version. In other words the tariff-for-revenue doctrine doesn't fit the conditions; the conditions must be made to fit the tariff. So why this disturbance, Mr. Hughes?

Besides, when you discuss a little thing like the tariff, do you not know that the tariff is the only statement of the Democratic family are likely to repeat their accusation that you are "pettifoggings"—Charles W. Ye, Mail.

UNITED STATES HONOR

Hughes' Criticism of Foreign Policy Approved in West.

(Portland, Ore., Telegram.)—A Standard-bearer who has selected a time to-day to justify the people who chose him. Not only does he back up his own country's position, but he backs up the demands made in the interests of justice and humanity.

Most vulnerable of all points in the Wilson Administration is its foreign policy. Primarily this is because of the spoils system by which men trained in the consular and diplomatic service, and who have been in the displaced to make room for politicians and friends of politicians, whose sole claim to preferment was their loyalty to the Democratic party.

"If I am elected President of the United States," said Mr. Hughes last night, "I propose that every man I appoint to the State Department shall be a man eminently fit to discharge the duties of that department."

The denuding of the diplomatic service to the extent it has been done to supply political jobs, as has been done by Mr. Wilson, or with his consent, Mr. Hughes denounces as "a disgrace to the name and honor of the United States." "Nobody," he adds, "has a right to pay political debts in the name and honor of the United States."

Which is clear proof that Mr. Hughes has not been unkind of the Wilson Administration, but that it must be maintained in order that this republic shall maintain its place as a shining example to all nations.

(11) The Commerce Court was actually abolished during the Taft Administration, although it has not been demonstrated that its abolition was a wise step.

"Any statement hereafter emanating from Mr. McCormick will be subjected to the most searching scrutiny. The errors of his first effort are inexcusable and can only arouse resentment among labor men and social workers. No man is more instant than labor to condemn and punish those who without foundation lay claim to its gratitude."

William M. McCormick explains his padding of the record...
(Signed) JOHN WILLIAMS, Ex-Commissioner of Labor, New York State.

THE INCONSIDERATE BEHAVIOR OF A CANDIDATE.

Why does Mr. Hughes insist upon talking about that old-fashioned—not to say "iniquitous," doctrine, the protective tariff, and the tariff, during the period of its industrial existence, the United States struggled along under protection. The Democratic party in 1912 came to power nearly the same period of its industrial existence, the United States struggled along under protection. The Democratic party in 1912 came to power nearly the same period of its industrial existence, the United States struggled along under protection.

The Republican Administration (on account of the tariff, it is true) was accused of being pro-protective, the reins of government, and for many years prior to that time, countless Democratic statesmen had vainly tried to persuade the American people that the protective tariff was an iniquity, a veritable contrivance of devils. It fostered the trusts, and it was an elevator of prices to the tiny wage-earner and the toiler. They promised relief. The poor should be no longer oppressed; the cost of living should be reduced; the tariff must be the result of a tariff for revenue protective only in spots, such as the Louisiana sugar mills and the Carolina cotton mills.

Doesn't Mr. Hughes know that the Administration did which he is now attacking? He ought to know. The American people, under the leadership of Mr. Wilson and Mr. Underwood, revealed that iniquity and abomination, the Payne-Adlery tariff law—that foster-mother of trusts and high prices—was enacted six months before the law. Mr. Hughes knows, of course, as every head of a family in America knows, that the trusts have not yet been dissolved except that the cost of living is higher than ever—that the price of everything has reached an unheard-of height—but what of it?

While it is true that a protective tariff never failed, under any circumstances, to protect American industry and American jobs, it is not true that the tariff was the cause of the present low-tariff administration. It is a very unusual condition.

Now, the obvious thing for Mr. Hughes to do is, to give the Democrats no ground for their tariff on straight. Never mind the patient; let the doctor experiment. That time won't come, of course, until the war is over according to the Democratic version. In other words the tariff-for-revenue doctrine doesn't fit the conditions; the conditions must be made to fit the tariff. So why this disturbance, Mr. Hughes?

Besides, when you discuss a little thing like the tariff, do you not know that the tariff is the only statement of the Democratic family are likely to repeat their accusation that you are "pettifoggings"—Charles W. Ye, Mail.

UNITED STATES HONOR

HUGHES' LABOR RECORD.

When Mr. Gompers, remembering only that he is a Democrat and forgetting that he is a leader of organized labor, ventured to assert that Mr. Hughes is a labor man, because he concurred in the unanimous decision in the Danbury hatters' case, he ventured on very thin ice. The Chicago Tribune reminds him that an honest judge must apply the law as he thinks it is, not as he thinks it ought to be; and asks him to tell those who look to him for political advice something about the record of Mr. Hughes as Governor.

Read what the Legislative Labor News, the official organ of the New York Federation of Labor, said editorially when Mr. Hughes left the Governor's chair at Albany for his place on the supreme court. Here it is:

"Now that Gov. Hughes has retired from politics and ascended to a place on the highest judicial tribunal, the world, the fact can be acknowledged without hurting anybody's political corns that he was the greatest friend of labor laws ever known to the Governor's chair at Albany. During his two terms he has signed fifty-five labor laws, including among them the best labor laws ever enacted in this or any state."

"He also urged the enactment of labor laws in his messages to the Legislature, and in the speaking in the Legislature, he has been so far as to place the demand for a labor law in one of his messages to an extra session of the Legislature."

Only 162 labor laws have been enacted in this state since its erection in 1777—in 133 years. One-third of the laws enacted in quality of all the others have been enacted and signed during Gov. Hughes' term of three years and nine months."

HE KEPT US OUT OF WHAT WAR?

Disingenuous to Boast That It's Through Any Act of Wilson We Are Out of the European Contest.

RATHER SHOULD BE BLAMED FOR MEXICAN BELLIGERENCE

During the Present Administration We Have Seized a Mexican Port and Sent Our Entire Army and Militia to Fight Mexicans While Armed Mexican Forces Have Invaded American Soil and Fought Battles Against Our People.

Sometimes you hear men, sensible men, too, say, "The going to vote for Wilson this year because he kept us out of war."

Ask such men a single question. "Did Mr. Wilson keep us out of the European War?" No. He has himself in a formal address to congress spoken of the European war as "a war with which we have nothing to do, a war whose causes do not touch us."

How could Mr. Wilson keep us out of a war with which we have nothing to do and whose causes do not touch us?

Did he keep the rest of the western hemisphere out of war? No. No independent nation on this side of the world is involved in it; the only people in it are the colonies of a war with which we have no voice in their fate and they had no totemically at war when their mother governments went to war. Who kept Argentina, Brazil, Chile, Peru, out of the European war? Did Mr. Wilson?

Did Mr. Wilson keep us out of war with Mexico? No. In his term more Americans have been killed by Mexicans than by Spaniards during the whole Spanish war. In his term we have seized a Mexican port and have sent our regular army and militia to fight Mexicans. In his term Mexican armed forces have invaded American soil and fought battles against our people within our boundaries.

President Taft went through two Mexican revolutions during his term, the result of which was a revolution against Mexico. American lives were safe in Mexico during his term. No Mexican cities were seized by Mexicans, nor have any Mexicans invaded the United States since Mr. Taft was in the White House. Yet Mr. Taft never thought of asking the American people to vote for him because he kept us out of war with Mexico. He put an embargo on arms so that American weapons would not be sent to Mexico, and he refused to interfere in Mexican affairs. When he left office Mexicans liked Americans and Americans were safe in Mexico. He left office Mexicans hate Americans and Americans are not safe in Mexico. Did Mr. Wilson keep us out of war with Mexico? No. He put an embargo on arms so that American weapons would not be sent to Mexico, and he refused to interfere in Mexican affairs. When he left office Mexicans liked Americans and Americans were safe in Mexico. He left office Mexicans hate Americans and Americans are not safe in Mexico.

What was the result? Mr. Wilson kept us out of war with Mexico. He put an embargo on arms so that American weapons would not be sent to Mexico, and he refused to interfere in Mexican affairs. When he left office Mexicans liked Americans and Americans were safe in Mexico. He left office Mexicans hate Americans and Americans are not safe in Mexico.

CALL FOR NEGRO CONGRESS

"Eternal vigilance is the price of liberty" should be the slogan of the Negro-American, and the movement now being put on foot to have a National Negro Congress organized, some time soon, in the United States, composed of our most capable and public-spirited men and women, is a good and necessary thing. The Association for the Advancement of the Colored People is doing a remarkable work, but needs to be backed by an aggressive movement that will stir up the people, develop advanced sentiment, memorialize legislatures and congress and reach all authoritative and deliberative bodies with strong and unyielding protests wherever the Negroes' rights are restricted or trampled upon. For this purpose standing committees ought to be established at Washington, D. C., and at the capitals of states whose Negro population is considerable. Their business should be to watch legislation in so far as the Negro may be affected or proscribed, and make a protest before the committee of the legislative bodies having the measure in charge, before the body in session and before the executive, should the measure pass. It means eternal vigilance; it means to protest always and tirelessly; it means to cry aloud and spare not; it means to arouse the sense of justice and to jealously guard every right guaranteed us by the constitution. We are glad to hail T. Thomas Fortune as a leader of this movement and to know that Byron Gunner of New York, and Wm. M. Trotter of Boston, are among the original callers. It is decided that the convention will be held at Washington, D. C., during September, the particular day of which will be announced in our next issue. Missouri needs to be represented.

There will be an effort to carry Kentucky, Tennessee and North Carolina for the Republican party, but the party need make its best efforts in Missouri, Maryland and Delaware, and among some of our wayward sisters of the north that have been recently dallying with the old democratic gay deceiver.

A few democratic promises that President Wilson has not fulfilled—the promise of a single term for the president, the declaration for free tolls through the Panama Canal, the denunciation of protective tariff, the reduction of the high cost of living. In fact the democratic times have made living higher.

The great demand for Negro labor in the north, nevertheless its abuse and oppression in the south shows that the stone which its industrial builders in the south have been rejecting is now becoming the chief in the corner of our great national industrial structure.

Hon. Chas. E. Hughes has blazed the pathway of success for the republicans from the Atlantic to the Pacific. Now let us organize and win. Let every republican register. Remember the dates, Sept. 18, 19, 20, 21.

The tariff question is still on top, because, in its adjustment according to the policy of the Republican party, lies the fundamental principle of our national prosperity.

The guns that killed the Negro U. S. soldiers at Carrizal, Mexico, were sold under Wilson's administration, to Carranza.

Let us redeem Missouri from democratic control.

ALL VOTERS MUST REGISTER THIS YEAR

FIRST CORINTHIAN BAPTIST CHURCH

A wonderful sermon was preached by Rev. Bolden last Sunday, from the 46th Psalm, and we wouldn't think it would want to be.

The men who never knew when to quit do not embarrass the world half so much as those who never know when to begin.

All Europe should by this time be frankly tired of economizing on bread and meat in order to buy more explosives and projectiles.

You can't make a woman believe that the sea which vexes her from her own people is her next door neighbor's dog.

The actual question of what to do with a boy who is too young to get a job and too proud to work about the house is again upon us.

Rev. Anderson, Pastor.

A VISIT TO ORPHAN HOME

Dr. Perry Gives 100 Bushels of Coal. Hundreds of Dollars Needed for Repairs. Four hundred Persons Waited. Popular Subscription Started!

The social concert that was to have been given by the local No. 44 A. F. M. was postponed on account of rain, until Sept. 10th, 3 to 6 p. m.

Among the few who were there last Sunday was the editor of the Argus, who saw a very beautiful sight. It was about 30 clean, healthy and happy children who will be among that number that will make the future men and women of our race. We saw new, well-kept beds and sanitary surroundings.

We observed a hundred bushels of coal in a shed and was told that our own Dr. William L. Perry, who has done much for charities, had sent the coal as his usual custom.

Alley Being Constructed. The city is constructing an alley in the rear of the home and has assumed the property \$300. The management has just finished paying over \$200 sewer tax, and this coming on them has made their burden heavy.

Your Hundred Persons Wanted. We should like to suggest that a popular subscription pay this time. Four hundred persons giving \$1.00 will pay for the alley and some of the necessary repairs.

Children, clubs, churches, societies and other organizations are asked to help. The editor of the Argus will start the fund with \$1.00. All who will help may send the dollar direct to the home 4316 Natural Bridge Road or the Argus office. The names with the amounts will be published each week.

Remember. Children are the greatest asset of a nation. To neglect them is a crime. The orphan's home is doing much work for Christ and humanity. You should help.

It seems rather odd that so many people become insane just about the time they do something they ought not to do.

It's a mistake to suppose that any man who could subsist on a diet of old boots would make a successful polar explorer.

"Serbia will be born again," says a London paper. After all the trouble it has had we wouldn't think it would want to be.

MRS. W. B. DAVIS DIES

Mrs. W. H. Davis, of 3042 Marne Place, died at the hospital after an operation on Tuesday night and was buried from Union Memorial Church, Saturday, Dr. R. T. Abbott officiating. She leaves four children, a beloved husband, three sisters and several other relatives, besides a great many friends to mourn their loss.

She was a member of the Church of Calvary and many of the services covered the bier as it rested on the altar. A good wife and mother has gone to her reward and awaits the coming of those who in this life were near and dear to her. She had been a faithful member of Union Memorial M. E. Church for many years.

Dear Alice, thou art gone, and we weep.
 But all thy pain and suffering is done.
 And in the arms that are strong you sleep.
 And the crown of life, my dear, you've won.

BASEBALL

HENRY GRAYS WILL SURELY TEST CLASS OF ST. LOUIS GIANTS IN COMING FIVE GAME SCHEDULE.

The strong Henry (Bill) Greys will play a five-game series with the St. Louis Giants at Federal League Park Sunday, Monday, Tuesday, Wednesday and Thursday of next week. The Greys are composed chiefly of former major and Federal League players. Among them will be such stars as Hank Kupper of the St. Louis Federals in 1914, and Fred Kammers, also of the same club and Pittsburgh Nationals; John Dolan, with Indianapolis Federals in 1914; Ed Eller, now on Chicago National's reserve list, and a number of others who have either been in the big show or will be in the future. The Henry team has a great record, trimming such

teams as the Cuban Stars, Cubs, Foster's Chicago American Giants, the A. B. Cs of Indianapolis, and the Long Branch Cubans.

Miller's St. Louis boys are in the pink of condition right now and it is safe to say that nothing short of a first division, big league club can stop them. They do not intend to let the Greys catch them napping, however, and will line up, expecting the hardest game of the season Sunday afternoon. All games will start at 3:15. Admission, 25 and 35 cents, boxes 15 cents extra. Ladies will be admitted free on Monday and Thursday.

ATHLETICS AND AMUSEMENTS

By H. T. M.

THEATRES

RECORD CROWD SEES START OF "THE YELLOW MENACE"

The largest opening night crowd that ever attended the Booker Washington Theatre filled the newly decorated and remodeled house last night and night, drawn chiefly by the releasing of "The Yellow Menace," the latest serial sensation.

This daring photo play starts off as a thriller and bids fair to be the biggest hit in the film world. There is plenty of hair-raising action, due to the ingenious arch criminal Chinese plotter, Ah Singh. As "The Higher Power," this cunning Oriental succeeds in launching a movement to have the yellow races conquer America and is sent here to direct this end of the plot. Although closely watched he outwits the United States authorities and lands. The next episode will be shown at the Booker Washington next Monday night. All begins action by kidnapping the Governor's daughter, and a thrilling flight and last rescue results. Don't fail to see it.

The vaudeville offering is well up to the standard. On account of transportation troubles, the full show was not assembled until Wednesday night, but is running nicely now.

Bradford and Sanford open with a good act made up principally of excellent singing by both members. The act is well received.

Dainty Theresa Brooks, as charming as ever, is offering a singing and dancing treat that well displays the distinctive talent of the little actress. She is wearing a net gown over pink tights, which may be proper for the style of dancing she assays, but it seems a little too bold. She is making a big hit and her act is well appreciated.

The Burquist Brothers play several pieces on a couple of large pianos according to the instruments of the Alhambra. With the volume of a full orchestra and pipe organ combined. Their act is going big.

Buddie and Toy Brown are repeating one of their former successes at the Alhambra. "The Dancing Master and the Newboy." Several new trappings have been added to the piece and it is making a tremendous hit. Toy is as active and graceful as ever and keeps the audience roaring with her ready wit.

NEXT WEEK

Next week Mr. Turpin will offer his patrons another well balanced bill, consisting of Fannie Wise, the prima donna, the three Marshall Sisters, Pennell and Holden and one other star act. The patrons are sure of a big show.

STRIKES AND HIGH PRICES DON'T EFFECT ALABAMA KITCHEN

Regardless of the milk strike and the advancing prices of food stuff, Mr. Husey, proprietor of the Alabama Kitchen, 1029 N. Whittier, continues to give the same high class service, omitting nothing. He is still serving the best 25 cent dinner in the city.

FAMILIES SPLIT

DIVERTING CAMPAIGN PHASE

Wives of Wilson Supporters

Will Take Stump For Gov. Hughes.

Washington, Families are being divided by the present political issues.

Here are a few examples. J. A. H. Hopkins of New Jersey is treasurer of the Progressive (genuine) National committee, and has announced that he personally favors the re-election of Wilson.

Mrs. Hopkins is a member of the Woman's party and will take the stump and do all she can to prevent the election of Wilson.

Gifford Finch is for Hughes and all the military Hughes and his

battering crew. Anon Finch's brother is a member of the American Union Against Militarism and will support Wilson as the lesser of evils.

Rep. William Kent of California is a wild-eyed enthusiast for Wilson and is heading a Wilson non-partisan league, while Mrs. Kent is a member of the Woman's party and will stump for the defeat of Wilson.

George Middleton has allied himself with the group of writers who have announced themselves for Wilson while his wife, Fola La Follette, is one of the members of the Congressional union who will hold Wilson responsible for the defeat of the Susan B. Anthony amendment. Meredith Nicholson is a Wilson supporter, but Mr. Nicholson will write and stump against Wilson on account of his attitude toward the federal suffrage amendment. Mrs. Louis F. Post is a member of the Woman's Peace party and an ardent Tolstoyan body from Louis F. Post, assistant secretary of labor, is for the Administration's "reasonable" program of preparedness.

POPULAR HUGHES CAMPAIGN FUND.

The plan suggested by Cornelius N. Bliss, Jr., treasurer of the Republican National Committee, to raise money for the campaign and increase the force of active workers for the election of Charles Evans Hughes to the presidency has peculiar merit. Mr. Bliss asks every one who favors the election of Mr. Hughes and wishes to have the support of a Republican Senate and House to contribute \$10 and become a sustaining member of The Hughes party. All such will receive a certificate of membership. The money will prove a good investment. It will help to secure for the country a more efficient and more patriotic of our national affairs, which is necessary if the property and influence of the nation is to continue.

There are at least 8,000,000 Republicans, but how many of them have any evidence they are beyond the consciousness that they have voted or will vote the Republican ticket? The work is done by a few and the money ordinarily is provided by fewer. Mr. Bliss' plan offers a cure for that condition. Help the cause, get a certificate of membership that will establish your party affiliation. It is not expected that all the 8,000,000 Republicans will give \$10 each, but if a goodly number who can afford it do so there will be a great many more able to give much more than \$10 next time because Republican success will mean to the country in fullest measure preparedness, protection and permanent prosperity.

Mr. Hughes is seeing how big the West is, and the West is seeing how big Mr. Hughes is. It is a happy arrangement.

Friends of Wilson are still trying to explain what he has been by to prompt to fight? But can they tell us what he meant by "strict accountability?"

"Eminent judges," says Colonel Henry Watterson, "have ever proved disappointing candidates." He is right. Alton B. Parker was a big disappointment to the Democrats. And so is Charles Evans Hughes.—Toledo Blade.

President Wilson appears to have been quick ally to the expediency of accepting several invitations to make speeches in the West. Nobody knows any better than he that it will cost considerable shoveling to fill up the holes that have been dug in that locality by Justice Hughes.

It was John P. St. John of Kansas, one time prohibitionist candidate for president of the United States, who said that Americans vote as they choose and as they like. It is a consolation for the Democratic party in this campaign, for the Democratic Administration in three years has given us nothing to cheer over. On the contrary, as Mr. Hughes has said, these last three years have been years of humiliation and embarrassment.

Mr. Wilson says his mind is progressive, but those who try to follow its progress can never tell the direction it is taking. It is just as likely to be progressing backward as forward.

At Princeton Mr. Wilson used to confer honors upon D. Ds. He couldn't confer honors when it came to serving Democrats.

FAMILIES SPLIT

Wives of Wilson Supporters Will Take Stump For Gov. Hughes.

DIVERTING CAMPAIGN PHASE

Washington, Families are being divided by the present political issues.

Here are a few examples. J. A. H. Hopkins of New Jersey is treasurer of the Progressive (genuine) National committee, and has announced that he personally favors the re-election of Wilson.

Mrs. Hopkins is a member of the Woman's party and will take the stump and do all she can to prevent the election of Wilson.

Gifford Finch is for Hughes and all the military Hughes and his

battering crew. Anon Finch's brother is a member of the American Union Against Militarism and will support Wilson as the lesser of evils.

Rep. William Kent of California is a wild-eyed enthusiast for Wilson and is heading a Wilson non-partisan league, while Mrs. Kent is a member of the Woman's party and will stump for the defeat of Wilson.

George Middleton has allied himself with the group of writers who have announced themselves for Wilson while his wife, Fola La Follette, is one of the members of the Congressional union who will hold Wilson responsible for the defeat of the Susan B. Anthony amendment. Meredith Nicholson is a Wilson supporter, but Mr. Nicholson will write and stump against Wilson on account of his attitude toward the federal suffrage amendment. Mrs. Louis F. Post is a member of the Woman's Peace party and an ardent Tolstoyan body from Louis F. Post, assistant secretary of labor, is for the Administration's "reasonable" program of preparedness.

POPULAR HUGHES CAMPAIGN FUND.

The plan suggested by Cornelius N. Bliss, Jr., treasurer of the Republican National Committee, to raise money for the campaign and increase the force of active workers for the election of Charles Evans Hughes to the presidency has peculiar merit. Mr. Bliss asks every one who favors the election of Mr. Hughes and wishes to have the support of a Republican Senate and House to contribute \$10 and become a sustaining member of The Hughes party. All such will receive a certificate of membership. The money will prove a good investment.
